

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tedious it will actually be to tidy up your house after throwing a big party, with out aid from cleaning machines. In the past, when carpets and upholstery had the dust beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning materials back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Establishing the business in the year 1906, he started to make motors to be able to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the start was to own a global business selling goods internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning trade. Mr. Fisker invented an amazing, ground breaking vacuum cleaner which can be operated by a single individual because it just weighed 17.5 kilos! This creation came in a time where numerous cleaning equipment were massive and required 4 or more operators, thus, the Nilfisk C1 changed everything and developed the manner we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning machines offer an excellent solution to an ongoing crisis; stuff get filthy and should be cleaned frequently, without a lot of effort.

Slowly, the business Nilfisk-Advance developed throughout the years. During the early nineteen eighties the business grew more rapidly when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance forward within the trade, aspiring to be an active global player in producing professional cleaning machines. Nilfisk-Advance is now located in all parts of the world due to steadily acquiring numerous small businesses in order to grow their product range and presence in new markets. They are proud to present various cleaning solutions to suit each and every requirement.
