

American Lincoln Part

American Lincoln Parts - The American Lincoln division is currently connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the industry as strong and durable machinery which satisfies all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the trade mark name "Encore". American Lincoln can provide warranty service, machines and components for these types of scrubbers that have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility managers where efficiency and results matter. Recently, this floor scrubber model has been requested by the architects in new construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's supreme performance level and excellent quality for polishing concrete.
