Trek Parts - TREK Cleaning Machines is a maker of cleaning machines. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than sixty years of experience successfully marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to providing top quality and new design concepts in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always offers fresh design concepts as shown in their product development. They like offering products that energize both their partners and their dealers and provide production gains to their customers.

The team at TREK likes dealing with new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' requirements and skills together with their understanding of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

When needed, the personnel within TREK and its numerous dealer members in both technical support and parts would be accessible. Among their core values is their high service commitment in their customer service. Keeping their customers' cleaning machinery running and ready on a daily basis is top priority. The company's top of the line technology delivers dependable machine that ultimately lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
