

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand offers services, products and solutions so as to increase the productivity and ensure efficiency within commercial, residential and industrial environments. They pride themselves in providing products in order to enhance the security, health, safety and comfort of people around the world all through their four worldwide segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for customers. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting parts support, advanced controls and services utilized for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies division offers products and solutions which enhance their customers' operation, energy efficiency and productivity. The product range is diverse ranging from pumps and tools, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the international leader in golf and utility vehicles designed for companies and individuals.

Well-known brands like Trane and Schlage compromise the Residential Solutions business, providing safety, efficiency and comfort to home owners all across North America. Some of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, portable security systems, advanced controls and remote home management.

Ingersoll Rand' Security technologies provide products that ensure productive, secure and safe surroundings. This division's market leading products include floor and door closers, portable security devices, exit devices, biometric and electronic cabinet hardware, access control systems, steel frames and locks and doors, decorative hardware and locksets. Schlage even has products that provide personal, time and attendance scheduling systems.
